APPRENTICE RECORD CARDS

A reminder to apprentices about their record cards; these cards must be sent in **MONTHLY**. Failure to send them in means you may be putting your wage rate increases in jeopardy. The hours from these cards are the only ones used to determine wage rates! Should you turn in too many cards at one time you will not jump up two rates — sorry you will only get one rate increase at a time, no exceptions!

DISPATCH

Our Dispatcher, Mike Rhattigan, is here to make sure our members are employed. It is the members responsibility to ensure that Mike knows you are looking for work so that he can send you out to shops needing installers, so please contact him when you are seeking employment.

E.I. & W.C.B.

We don't want your medical coverage to run out!

If you are collecting any monies from E.I. or Workers' Compensation, remember to submit cheque stubs for disability credits. Members are awarded approximately 4 hours for each calendar day they are disabled. These hours count toward maintaining your coverage while you are unable to work.
